

Update on the FundFinder System (Online MF Platform)

Dear Valued Client,

Due to compliance requirements, we were constrained to discontinue with the Online MF transaction platform 'FundFinder' with effect from 31st August 2025.

To view your existing MF holdings and continue transacting in Mutual Funds online, we request you to open an account with MF Utility. To register for a CAN account, click the tab given below.

MF Utility (MFU) is a centralized platform created by the Association of Mutual Funds in India (AMFI) as a shared services initiative. MFU acts as a transaction aggregation portal, allowing investors to transact across multiple Mutual Fund Schemes by opening a Common Account Number (CAN). For further information or clarification, please contact your nearest StockHolding Branch or reach out to our Customer Care team at 022-69192020.

We sincerely regret any inconvenience caused.

Additionally, we are in the process of onboarding an alternative Online Mutual Fund platform and will keep you informed about the same.

Warm Regards,
Team StockHolding
